

REACH SVHC and Packaging Declaration of Conformance Statement

Inneos bases our best material content knowledge on information provided by third parties and our suppliers. As of the below date, we herein confirm that Inneos products listed below do not contain any Substance of Very High Concern (SVHC) in concentrations above 0.1% (w/w) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) per the ECHA's SVHC V20 candidate list (ECHA/PR/19/01) published on 15 JAN 2019 and previous updates.

Please be assured that Inneos will continue to monitor the REACH regulations for any newly listed substances of SVHC that may be included in subsequent ECHA candidate lists. Inneos will compare all new substances of SVHC with the materials used in our current products and will provide notification to our customers of any current products that exceed concentration levels.

Additionally, parts provided are in compliance with EU Packaging and Packaging waste Directive 94/62/EC.
